EDUCATION

Nanyang Technological University — Singapore
Ph.D. in Computer Science — Jan 2026 – Dec 2029
- Advisor: Prof. Kwok Yan Lam
- Research area: Reliable and Efficient Natural Language Processing
- Full research scholarship

University of Toronto — Toronto, Canada
BSc. in Computer Science, Honours — Sep 2021 – May 2025
- Advisors: Prof. Gerald Penn, Prof. Zhijing Jin
- Graduated with High Distinction

ETH Zürich — Zürich, Switzerland
Exchange Year in Computer Science — Sep 2023 – Aug 2024
- Completed graduate-level coursework and research in NLP and Machine Learning

* Equal contribution

INDUSTRY EXPERIENCE

Amazon Web Services — Tübingen, Germany
Applied Scientist II, CloudWatch Logs — Sep 2025 – Dec 2025
- Conducted open-ended research on reliability and evaluation of large language models in production settings.
- Implemented evaluation and reliability methods as production-quality code in internal pipelines.

REVIEWING

ACL Rolling Review (Reviewer): *March 2026, May 2026*

TEACHING

SC2005 Operating Systems (Teaching Assistant): *Fall 2026*
SC2203 Automata, Computability, Complexity (Exam Marking): *Fall 2026*

SKILLS

Programming: Python, C, Java, SQL

Languages: English, Mandarin, German
