EDUCATION

Nanyang Technological University

Ph.D. in Computer Science

Singapore

Jan 2026 – Dec 2030

- Advisor: Prof. Kwok Yan Lam
- Research area: Reliable and Efficient Natural Language Processing
- Full research scholarship

University of Toronto

BSc. in Computer Science, Honours

Toronto, Canada

Sep 2021 – May 2025

- Advisors: Prof. Gerald Penn, Prof. Zhijing Jin
- Graduated with High Distinction

ETH Zürich

Exchange Year in Computer Science

Zürich, Switzerland

Sep 2023 – Aug 2024

- Completed graduate-level coursework and research in NLP and Machine Learning

WORK

Amazon Web Services

Applied Scientist II, CloudWatch Logs

Tübingen, Germany

Sep 2025 – Dec 2025

- Conducted open-ended research on reliability and evaluation of large language models in production settings.
- Implemented evaluation and reliability methods as production-quality code in internal pipelines.
